

Institute of Banking Personnel Selection (IBPS) | Digital Assessments

TCS iON offered Digital assessment solution to IBPS for various assessment related activities like QP creation, Drive configuration and Exam Execution.

Overview

- Institute of Banking Personnel Selection (IBPS) is an autonomous agency in India.
- IBPS is a self-governed academic and research-oriented Institute, with a mission of enhancing Human-resource development through personnel assessment.

Challenges

- Logistics of question paper and high operational cost.
- Time consuming assessment lifecycle process.
- Increased manual effort from IBPS.
- Avoiding malpractice attempts and QP leakage and ensuring high degree of secrecy was difficult.

Solution Delivered

- Computer Based Test (CBT) eliminating logistics of question paper and response sheets.
- Better test center management in terms of invigilation and readiness of the staff at the local center.
- Highly secure, scalable, and real-time monitored exam.
- Conducted secure Digital Assessments throughout the country with platform, test center and operations

Impact

- Content creation & result sharing - simplified and secure
- Positive feedback from candidates
- 110 Mn candidates assessed on TCS iON platform across 4000+ exam centers in 132 different cities.
- Error free, on-time result declaration
