

# Participation Guidelines

How to participate in TCS iON IntelliGem 2024-25?

TCS iON IntelliGem is a national-level contest on 21<sup>st</sup> Century Skills for the students of **Grades 5 to 9**. These skills are:

 **Universal Values**

Developing the skill to understand and appreciate the feelings, experiences and ideas of others.

 **Global Citizenship**

Recognizing the fact that all human beings, no matter where they live or which nation they are citizens of, inhabit the same world.

 **Communication Skills**

The ability to convey ideas effectively and convincingly to one or more people.

 **Creativity & Innovation**

The ability to observe problems and then create solutions. It is also the skill of being able to produce new and unique ideas.

 **Financial Literacy**

Being able to manage, despite all its complexity, financial matters at a personal and community level.

These are the five topics for TCS iON IntelliGem contest.

By participating in TCS iON IntelliGem, students will be able to:

- Explore the increasingly important 21<sup>st</sup> Century competencies
- Develop a passion and love for lifelong learning, and early entrepreneurship
- Build a competitive spirit and prepare themselves to lead the world
- Continuously augment their knowledge to go beyond what is possible
